**University of Arkansas for Medical Sciences**  
**CARPOOL AGREEMENT**  
**Parking Operations**  
**526-PARK (7275)**  
**Hours 7:30 am to 4:00 pm**

I agree to the regulations and guidelines of the carpool program, which are as follows:

- I understand that all carpool members must live off campus beyond a reasonable range of walking distance to the Campus.
- Carpools must include at least three persons registered as part of a carpool riding together in one vehicle to and from the UAMS Campus from an off campus residential location.
- The UAMS Parking Office must be contacted if established carpool fails to meet ridership requirements. Any changes in the status of carpool memberships shall be reported immediately to the UAMS Parking Office. Such changes include, but are not limited to: leaving a carpool, changing residences, changing to another carpool, and replacing a registered vehicle.
- If a member drops out of a registered carpool, for any reason, the remaining members must recruit a replacement in order to meet the minimum ridership requirements. The replacement must register with Parking Operations within 1 week or the carpool will forfeit their carpool privileges.
- Carpool members must abide by all the UAMS Parking regulations and policies.
- Misuse of a carpool permit will subject carpool applicants to cancellation of the carpool permit, parking citations and fines, booting, and/or towing at the owner's expense. Please see carpool information sheet for additional information and requirements specifically related to the carpool program.
- Parking Fees will be divided equally between participants and payroll deducted.
- One carpool hangtag will be issued to each carpool free of charge. Lost carpool hangtags will be charged a replacement fee of \$10.00. Each vehicle registered as part of a carpool will have a carpool decal affixed to the left side of the rear glass or rear bumper. Cost is \$2.00 per decal.
- Only one vehicle from the registered carpool may be parked in the carpool's assigned parking area at any given time. The carpool hangtag and carpool decal should be properly displayed.

**By signing below carpool members agree to abide by the foregoing UAMS Carpool policies and regulations:**

<b>Carpool Leader:</b>	_____	<b>Date</b>	_____
<b>Carpool Rider 1:</b>	_____	<b>Date</b>	_____
<b>Carpool Rider 2:</b>	_____	<b>Date</b>	_____
<b>Carpool Rider 3:</b>	_____	<b>Date</b>	_____

The University assumes no liability for theft or damage to any auto or its contents while parked on University owned or controlled properties.
