

# **UAMS Bloodborne Pathogens Notice**

**Re: UAMS Tag # \_\_\_\_\_  
Serial # \_\_\_\_\_**

**To comply with Federal Law, UAMS policies, and to protect our employee health and well-being, it is the owners responsibility to decontaminate equipment prior to having Clinical Engineering repair or maintain that equipment, shipping off campus or sending to M&R.**

**We require written confirmation that such unit(s) is free of any such hazards. Your understanding and cooperation in support of the safety of our employees is sincerely appreciated.**

**I \_\_\_\_\_ certify that the unit(s) being returned for  
(Please PRINT Name)  
repair, maintenance, or disposal is biohazard free.**
